Man Falls Under Truck And Is Badly Mangled

A horrible accident occurred on the highway at the city limits of North Hamlin, last Saturday morning about 10:30, when a highway worker, G. O. Hobbs of Aspermont, was crushed to death by a truck wheel passing over his body.

Information is that Hobbs, foreman of a group of employees, including the driver of the truck, Bob Smith of Peacock, C. Wallace of Abilene, and in another truck near by were B. W. Funderberg of Swenson, W. S. Paune, R. V. Vaughn and H. H. Middlebrook, all of Anson. These men were coming south on the highway with heavy material of various road machinery, including a rock crusher.

Hobbs is said to have stepped out of the front vehicle cab on the running board and waved to the men in the back truck, and evidently his feet slipped, throwing him quickly to the paving face down, in such a manner that the rear wheel caught him across a shoulder and ran down the body angling to past the hips. It was a terrible mangle.

The local Barrow Funeral Directors took charge of the body and made preparations for the funeral at Mullins, Texas, between Brownwood and Goldthwait. It was carried there Sunday and interment took place Monday. The man is survived by a wife and four children.

Hobbs had been at Aspermont about a year or less, on a construction job and they were transferring the machinery to Pecos territory when the accident happened.

Young Attorney Enlists

W. F. Martin, young ranchman of Fisher-Stonewall County, left last Friday for Chicago where he starts training in the Navy. W. F. is a volunteer. He graduated from the University law school last June.

The Herald is trying to keep up with all the boys in Uncle Sam's service, but sometimes relatives fail to report, or wait some time till the men get settled.

James Steed O. K.

Mr. and Mrs. James I. Steed received a message Thursday morning from Honolulu that their son James (Sonny) was OK. The message said "Just to let you know am OK, so don't worry."

Sonny, James Steed

James has been in the navy over two years. He had not been heard from since Nov. 28th.

Ray Eckler and wife of Hamlin, received a message last Sunday that Mrs. Eckler's brother, Dick Rogers, a sailor boy, died on Dec. 8th at Pearl Harbor. Rogers was from Gracemont, Okla., and had been in the navy about 10 months. No particulars, except that the boy was in the hospital.

Mr. and Mrs. Buford Dean and little daughter, of Childress, were here Friday visiting with Hamlin friends. While here, they called at the Herald Office and extended their subscription for another year.

Tom Johnson, fireman on the Santa Fe out of Lubbock, was down in Hamlin Tuesday to visit his wife and to look after home affairs. Tom has been working out of Lubbock about one year.

Mr. and Mrs. O. L. Wallace heard from their sailor boy, Elvis somewhere on the Pacific. He was at home when the Pearl Harbor attack took place.

Miss Frances Coffman, Home Economics teacher in the Wienert public schools, visited with Mr. and Mrs. Wortham Crow and daughter, Brentz Ann last week end.

Card of Thanks

We want to take this opportunity to sincerely thank our friends for all the expressions of sympathy and condolence and their kindness to us at the death of our beloved George.

Man From China At The Nazarene Church

Rev. H. A. WIESE, missionary to China, speaks here at the Church of the Nazarene at 7:15 Sunday night.

Mr. Wiese has seen seventeen years of service on the field with the Church of the Nazarene.

He has experienced weeks of daily air raids and days of cannon shell fire over the city where he was stationed.

He has with him a few Chinese things to show how the Chinese live and what they use. He also has a shell picked up after the battle.

He has motion pictures which he took of mission work and Chinese life which he will show. The pictures give a little of his war experience also.

(Rev. Wiese will be at the Mt. Zion Nazarene church next Tuesday night.)

Sunday school, 9:45 A. M.
Morning worship, 11:00 A. M.
N. Y. P. S., 6:30 P. M.
Evening service, 7:15 P. M.
Prayer meeting Wednesday evening, 7:15 P. M.

The Sunday evening service will be in charge of H. A. Wiese, an old college friend and classmate of the pastor. Rev. Wiese's experiences on the mission field, together with his deeper spiritual tone, will guarantee a profitable service.

Come enjoy the services with us.

Dan D. Jones, Pastor

Anson Minister Spoke At Rotary Meeting

The Hamlin Rotary Club enjoyed a very entertaining and instructive talk Wednesday by Rev. McBeth the new pastor of the Anson Baptist church.

This new minister in Jones County is not new in West Texas for he is a Fisher County product and he was almost at home in Hamlin, although a stranger.

Rev. McBeth will grow in favor as his acquaintanceship increases. If he preaches as well as he talks at a Rotary Club, his church auditorium should be filled at every service.

Mrs. Rudyard and Grimes of Austin, wife of Captain Grimes who is with the Philippine army, and Miss Frances Grimes of Abilene were guests of Mrs. Frank Waggoner the past week end. Capt. Grimes is a cousin of Mrs. Waggoner.

Mr. and Mrs. Roy Kelley and family visited relatives in Cleburne the past week-end. They were accompanied by Mrs. Irvin Smith and little daughter, Benita Irene as far as Weatherford.

Miss Clydene Wilson, purchasing agent for the camp utilities at Camp Berkeley, Texas, spent the past week end with her parents, Mr. and Mrs. M. C. Wilson.

From The Prowell Family

We wish to thank our many friends of Hamlin and vicinity for their many loving deeds and kindnesses shown us in the recent death of our loved one.

THE PROWELL FAMILY

(This expression of thanks was mailed from San Angelo last week and the Herald was not able to publish till this week.)

Pay Your Poll Tax Pay Your Other Taxes Pay Up Your Herald

It is hard to tell which is the most important for a citizen in any community in Texas to do first, when a New Year starts. Pay the Poll Tax. Pay the other taxes or re-subscribe for newspapers.

If you do not pay your poll tax you can not vote. If you do not vote you have no direct voice in your government. That's not good citizenship. So it is in order now to remind folks it will be too late to pay poll taxes after January.

Property taxes are due and will draw interest after this month is past. You can't get around paying your tax on property.

Now in this community, the Hamlin Herald is your community paper. It may not have many pages, may be small, but remember that every paper in this country is as large as the community. The Herald can be as large as the demands are placed upon it. Four pages, 6 pages, 8 pages, 10, 12, 16 or whatever the business population calls for. But regardless of the size of the Herald it is worth ten times what it costs a Hamlin community citizen, especially.

The Herald will set up a new corrected list of subscribers just after January and if anyone wants the paper to keep coming, better let us know it by a dollar bill, a dollar check, or a simple request. But to keep the Herald at the low of \$1.00 for 12 months we must not allow the paper to go to anyone free or less than \$1.00 per year. Some weeks there will appear things in your home paper that will be worth several dollars, so to get it, keep it paid up.

Notice the date on your paper. The date you see means the time you have paid for. Some times an editor hears of people who get peeved when their home paper stops. Do you feel that way when a big daily stops after the time has expired?

Example of an expiration:

ALBRIGHT, J. M. Feb. 1942

This means Mr. Albright sometime in the past paid for the Herald till the end of Feb., 1942.

In this day and time, taxes and newspapers are the first essentials.

R. T. Spauldin and wife and sons Rodney and Bobby of Norman, Oklahoma, were here the past week-end to visit with their parents, Mr. and Mrs. J. D. Rountree.

J. E. Moody has been on the sick list in the Abilene hospital for more than ten days. He is reported improving, so also is Mrs. Moody who has been in the same hospital under treatment for several weeks. Hopes are that they will be able to return home soon.

William T. Brown, soldier boy from Camp Bulis, was at home with his mother, Mrs. Mary Etta Brown several days last week.

Explosion and Fire To Be Illustrated At High School Jan. 29

On Thursday night of January 29 next week, a FREE lecture and illustration on explosions and fire will be given at the Hamlin High school auditorium, beginning at 7:30 o'clock.

The speaker is sponsored by the Shell Pipe Line Company. He is from the Government Bureau of Mines and his lectures in key points are encouraged to help the general public have first hand knowledge of explosions, fires and their control. It would appear to be very important.

The Shell Company is inviting everybody, not only in the Hamlin community, but from other places along their line to be present. Local firemen, and both men and women are urged to attend this very important meeting and show.

Remember Registration Tuesday, Feb. 17, 1942

The third registration, which will be held on February 16th, and will include all unregistered males who were born between Feb. 17, 1897, and Dec. 31, 1921, will be handled by the local boards and their assistants in most sections of the State.

"We are anxious that this wartime registration be conducted without interference with any production," General Page said.

BAPTIST CHURCH

A special appeal is being made to the members of the First Baptist church to attend all services for the next five Sundays. We will designate this as a "Church Family" period, hoping that we might become better acquainted with each other and be drawn closer to the church. This week we want to concentrate especially on those members whose last names begin with A, B, C, or D. We are asking especially that they be in the morning service, next Sunday morning.

With our government putting on an "all-out" program for victory, let us put on an "all-out" program in our churches. What we develop in our hearts and lives during this period of national crisis is as important as what we develop in our factories. After all, our first line of defense is in the spiritual realm.

H. E. East, Pastro

Sgt. William Garrison who is stationed in Hawaii, sent a message to his mother, Mrs. J. W. Essary a few days ago stating that he is all right. This is the first time they have heard from William since the Pearl Harbor horror. Mrs. Essary also has a son in the Philippines that she has never heard from.

Miss Murle Carlton, daughter of Mr. and Mrs. D. W. Carlton, is in Abilene taking a course in business college.

Want More Gardens For More Foods

This week one of Hamlin's industrious women, one who is not afraid of work (anywhere) a mother of a soldier boy, too, was in the Herald office and she had something to say. Such good women always do.

She wanted the Herald to advocate more gardens, more anything that will grow, either for family food or for animal life.

She is right. Pass a hundred vacant lots, dozens of blocks and half blocks and note the rank growth of brush, weeds and grass, all making Hamlin community look worse than heck. Wonder who would kick if some fellow with a tractor or team of old-fashioned long-tailed ponies began to plow up the rich soil and start planting. Planting for victory, you know.

Now down to earth. It is a good idea, a fine suggestion, but it will take work. Labor is the main source of income in this world. Money is just a side issue for labor. People who are afraid of work will not grow many vegetables, or keep many stray lots clean. It is something to think about.

Gal. 6:7 "Whatsoever a man soweth, that shall he also reap."

It seems quite odd that some people expect to reap when they have not sowed. How can we think that we shall receive the blessings from God when we are servants of Satan? "Be not deceived; God is not mocked." Good seed cannot be reaped if they are not sowed. Notice this thought as it is found in a little poem by Miss N. M. Barnes. "How often have you heard folks say,
'I hope my ship comes in some day.'
(But no ship will come) without a doubt,
If we forget to send one out."
Minister, Luther G. Savage

W. T. Walker is again back on the streets and at his place of business after being kept out for twenty-four days—part of the time in a hospital.

Mrs. Burns Eakin returned Monday from Dallas where she had been called to be with her sister, who had a major operation.

Mrs. J. R. Long of Buffalo, New York, is in Texas visiting her parents, Mr. and Mrs. R. L. Dean of Hamlin and relatives in San Angelo and Poteet.

Mr. and Mrs. A. F. Dixon left last Sunday for Hyman, Texas, their new home. They are old timers in the Hamlin country and their familiar faces will be missed.

Let Your Answer
to Bombs Be BONDS!

We are fighting enemies who will stop at nothing. With our homes, our very lives at stake, shall we stop short of giving our dimes and dollars for Defense? Buy Defense Bonds and Stamps every day, every week. Buy as if your very life depended upon it. It does!

G. R. (Ralph) Riddle For Co. Commissioner

Monday Ralph Riddle, a prominent farmer eight miles east of Hamlin, visited the Herald to instruct the publication to say that he was a candidate for Commissioner of Precinct No. 1 of Jones Co.

Now this is about all anybody in this commissioner precinct need to know. For Ralph Riddle is perhaps known to 90 per cent of the voters already in this precinct. But maybe we can dig up a few "things" on him that will throw some light on the man who wants to fill one of the most important offices in Jones County.

First, Ralph revealed the fact that he is older than he looks . . . 48 years. That's about right. Yes sir, and he has a wife and 7 children, another good reason why he should make a good commissioner. He has plenty of incentive.

Mr. Riddle has lived in Jones County, in this precinct, for 36 years, and of course he is a farmer and knows every trail and fence-row and gully in this part of the county. He has been a member of the County School Board for eight years, and that makes him well acquainted with the several rural schools in this northwest corner of the county. He says he is about equal distance from Plainview, Tuxedo, Dovie and Hamlin.

Mr. Riddle says, regardless of the fact that he knows personally most of the people, especially the men, in his district, he desires to meet everyone of them and talk business with them. Really, that means he wants a big vote in the July Primary, and generally there is a woman vote to match each man's vote and Ralph wants the confidence and vote of everyone. So look out, the smiling face of Ralph Riddle will be seen as the spring and summer days come and go.

Woman's Society of Christian Service Monday afternoon at 3:00 o'clock.

Fellowship night Wednesday evening at 7 o'clock with a covered dish lunch.

The sermon topic Sunday morning is to be: "A Citizen of Zion," and Sunday night the subject will be: "Blunt Axes." Last Sunday our attendance was splendid. People are realizing the need of God in these dark days. Only Christianity will save this world and bring lasting peace. Are you Christian? If not, "Seek the Lord while he may be found." A good place to find Him is at church. You will need Him before this war is over. Go to church Sunday.

We are delighted to have visitors in all our services.

Reactions—

American people are great fans, and developed that way by looking at the base ball diamond or upon the gridiron. Americans are great boosters when the game is going their way, and grow mum and grumbly when the scores go against their side or when the bases are all full and somebody begins to yell out, "Wait, we'll get started!"

This is war time and most every American has his idea of how he would like to see the game played. He is accustomed to speak out, boost and brag when he feels it on his chest, and he also has a reputation for grumbling when somebody bungles the ball, pulls a lazy boner, and comes up with the other side on top. The American must kick out in meeting when he thinks somebody charged with responsibilities is not hitting up to standard . . . yes, that is English and American too.

To express disappointment, disapproval, even impatience, is not exactly disloyal, but maybe a healthy shade of great interest and loyalty.

In some instances a word or sentence in the daily press or over the radio stings the average American and perhaps what he hears is NOT official. Now for example—Tuesday afternoon we got the idea that some body had actually "forgotten" a bunch of American boys on some isolated corner in the Philippines. On first hearing that it made most of us swell up in wrath. Such a word may have been very unofficial. If so, somebody made a "boner" by putting it out.

The reaction to an expression of that nature does not bolster the morale of any mother who has a boy in the service "forgotten".

What most of us expect of our American boys when they get hemmed in a corner, is for them to fight like hell to the last man. That's American too. But there should never be a single one "forgotten".

The thing Americans really love is vigorous action, and almost daring action if a thing has to be done. Most of us like to see the game played jam-up. So if we hear of some one speaking out in "meeting" when he thinks somebody has "forgotten", remember that's America, in the land where we have never known anything but say what is on our chest.

From here on in this great war we may expect more and more, "Why's, when, why don't they, etc". For example, we have been hearing for two or three years that Singapore is very vital to England and now that it means as much to the United States. Then it would seem, weeks and months ago, ample forces should have been concentrated there for its protection. No wonder Englishmen are fussing.

Miss Fay Norris, of Ben Wheeler, came Monday to accept a position in the Magee Beauty Shop.

Mrs. W. E. Benson of Abilene and her son Carroll, and his little daughter, Elizabeth Ann of Merkel, were over Tuesday on business and to see old friends.

Rubber—

When England, the Dutch and the United States began to shut down on the Japs' oil supply, the little "Monkey-men" must have grinned a devilish lot when they thought of how they would knock the breath out of Americans by cutting off our rubber supply in Malaya. Yes, they had it all planned years ago.

The modern world is running on rubber, and the propelling force is gasoline and oil. The nations that control oil supplies and produce the rubber will have the greatest advantage. Right now the Japs have crimped the rubber.

Let us quote a few reliable figures about rubber:

As important as steel and as indispensable as aluminum, rubber tops the list of strategic materials that are going into the arsenal of America's armies. The army uses rubber in everything from elastic bands to gun carriages. It is used by the ordnance department, the medical corps, the chemical warfare service, the air corps, the communications units. Rubber goes into bulletproof gas masks, tanks, scout cars, pneumatic rafts, medical equipment, boots, raincoats, shoes, communications material, and a thousand other items. Most of all, rubber goes into the tires that the modern army travels on. Today's doughboy rolls on rubber.

From 75 per cent to 80 per cent of civilian rubber consumption goes into tires and tubes. It is estimated that the average sized tire (average including car tires, truck tires, bus tires, etc.) contains 14 and a half pounds of rubber. With that figure as a starter, almost any kind of dramatic comparison can be made as to how many rubber tires could be made from the rubber needed in a 2 1-2 ton army truck or in a tank, or in a battleship.

In a 35,000 ton battleship, for example, there are 75 tons of rubber—150,000 pounds, or enough to make some 10,345 tires.

Here are other figures:
A 28 ton tank (medium size) takes 1,750 pounds of rubber.
A gas mask requires 1.81 pounds of rubber.

A 10 ton pontoon bridge requires 3,200 pounds of rubber.

Two hundredths of a pound of rubber goes into every roll of adhesive plaster required by the Medical Corps.

Into each raincoat purchased by the army goes 2.14 pounds of rubber.

A half ton truck takes 125 lbs. of rubber, mostly in tires.

A 2 1-2 ton truck takes approximately 525 pounds of rubber. These are 8-wheel affairs, using 12 ply tires, and usually carrying 4 extra tires as spares.

A cable assembly used by the signal corps requires 150 pounds of rubber.

Tires for planes require anywhere from 33 pounds each to 96 pounds, depending on the size and type of plane. Inner tubes for those tires take from 24 to 55 1-2 lbs.

When a Child Needs a Laxative!

Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lazy intestines when given by the simple directions.

SYRUP OF BLACK-DRAUGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAUGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAUGHT comes in 2 sizes. The introductory size is 25c; the economy size is 50c.

An old mountaineer, who had never visited a town of any size before, decided to accompany his son to a small nearby city and see what the place looked like. Climbing out of the car on the main street, the old man appeared fascinated by the pavement. He scraped his feet on the hard surface and bent over and touched it with his fingers.

Amazement turned to scorn, and the old man turned to his son and drawled: "Well, I don't blame 'em for building a town here. This ground is to darn hard to plow, anyhow."

"Miss Epsom," said the colored parson impressively, as he led her into the brook for baptism, "I's gwine to lead you out inter de beah stream and wash out every spot o' sin you's got!"

"The village church," said the grocer.

Save Money On Taxes

We are once more taking this method of reminding you that the City Council has authorized the remission of all penalties and interest on delinquent taxes for the years up to and including the year 1939, provided, however, that this shall apply only if delinquent taxes including 1940 are paid at one time, and not later than January 31, 1942.

We would like to point out also that if these taxes are not paid, or have not had a satisfactory partial payment plan worked out with respect to them on or before January 31, 1942, it is the intention of the City to commence collection of said delinquent taxes by the use of suits.

Naturally, it is not the desire of the City to work a hardship on any tax paying citizen, however, taxes must be paid in order to maintain your civic government, and if you do not bear your share of the burden, other action must be resorted to.

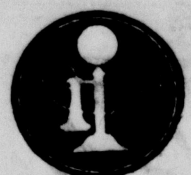

The partial payment plan is still available to those who wish to use such plan in taking care of their delinquent taxes, so if you are unable to pay all your delinquent taxes at once, this course is still open to you.

Please come by the City Hall immediately and make some satisfactory arrangement to take care of these delinquent taxes.

Sincerely yours,

J. B. EAKIN, Tax Collector

Golden Wedding Celebrated By Mr. and Mrs. Dean

The home of Mr. and Mrs. R. L. Dean of Hamlin was a scene of festivities and good will as their children came together Tuesday, January 20, bringing gifts of gold or golden color to celebrate the 50th anniversary of the wedding of their parents on this date in 1892. During these fifty years ten children were born and reared in this home and on this glad day, all were present to offer congratulations except the eldest daughter, Mrs. W. B. Splawn of Poteet, Texas, and the youngest son, Alton, who is with the Atlantic fleet on the U. S. S. North Carolina, New York harbor. Both sent greetings and gifts.

During the day refreshments were served to Mr. and Mrs. Robert Dean and daughter Genelle; Mr. and Mrs. W. R. Redus and daughter Ruby Joyce of Rotan; Mr. and Mrs. Spruill Dean and daughters Reta Jo, Dorothy and Shirley; W. W. Dean, Mrs. Faye Dean and children, Doyle, Joe Allen, and Lusara; Mrs. Lola Miller and son Lemuel of San Angelo; Mrs. R. J. Long of Buffalo, N. Y.; Mr. and Mrs. Travis Dean; Mr. and Mrs. Lott Shell and son Lewis; Mr. and Mrs. Joe Simpson and daughters Faith and Carol Jo; and Mr. and Mrs. Lem Miller of San Angelo.

Many gifts and greetings were sent by friends and relatives who could not be present.

McCaulley Home Demo. Club Elects New Members

Two new members, Mrs. Oliver Lee and Mrs. Leo Mosser, were introduced when the club met in the home of Mrs. Carol Lee Jan. 14th. The incoming president, Mrs. Joe Miers, presided. All old business was disposed of. New business was appointing standing committees and working out a co-operative plan for the new year. Club work will include in the program, home food supply and home improvement, and phases of defense work which may be allotted to the club. Mrs. Ben Kemp was elected home food demonstrator. Mrs. Roy Maberry was elected home improvement demonstrator. Mrs. Della Fancher was chosen club mother.

The club adjourned for a social hour and recreation was led by Mrs. Bill Fancher.

Refreshments were served to Mmes. Oliver Lee, Leo Mosser, Horace Barton, Roy Maberry, Della Fancher, Joe Miers, Ted Abbott, J. A. Jackson, Happy McHone, Bill Fancher.

Area V, McCaulley and Royston, will meet with Mrs. Jim Jackson at 2 P. M., January 21st.

Club Knits For Red Cross

The Treces Senoras bridge club met with Mrs. M. T. Hudson in her home. Instead of the usual noise of shuffling cards, the click-click of knitting needles could be heard, and before the afternoon was over, all present could "knit" and some even "purl". It was definitely decided a beginners knitting class for adults is a lot of fun.

At the refreshment hour a delicious salad plate with coffee was served to Mmes. L. H. McBride, C. F. Butcher, Roy Gilbreath, Bill Rountree, Landon Davis, Clinton Barrow, Dick Lowe, Vera Nobles, Otis Hopper, Fred Carpenter, Ray Jones and Mrs. R. L. Moore, a guest of the hostess.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Mr. and Mrs. W. L. Cash Celebrate Their 50th Anniversary

Thursday, January 22, was a great day in the lives of Mr. and Mrs. Walter L. Cash of Hamlin, for it counted their fiftieth wedding anniversary. This is the way a railroad man counts time. For indeed Mr. Cash has been a railroader for 42 years before his retirement from the Santa Fe in 1938.

Mr. and Mrs. Cash have a pretty home in South Hamlin where they have lived since 1905, the earliest days of Hamlin.

Mr. Cash began his long service on the railroad in 1897 at Zephyr, Texas. Then in 1905 he started as a trackman on the old Orient out of Hamlin. He later served as track foreman for 38 years, most of the time in Hamlin, except 8 years at Christoval, which is still his favorite fishing grounds. However, in Mr. Cash's early days he was a rock mason, and still can do a fancy job in that line.

Mr. Cash was born on January 22, 1872, at Atlanta, Ga. He came to Texas and fifty years ago, Jan. 22, was married to Miss Mattie Green in Hamilton, Texas. Mrs. Cash is a native of Hill county. Mr. and Mrs. Cash had only two children in their home, Mrs. P. F. Fannin of Hamlin, and one son, Silas, who died at the age of 14.

Mr. and Mrs. Cash are charter members of the Hamlin Baptist church. Years ago he was active in the K. of P. and Odd Fellows lodges, and the past ten years his fondest association with man is in the Masonic Lodge. Since Mr. Cash's retirement from the rail service, he never passes up a chance to attend the various prominent meetings of the Masons in Texas.

Miss Rozell Conner Married, Mineral Well

Miss Rozell Conner and Pfc. Carl A. Brubaker, were united in marriage at the home of Mrs. Minnie Bell Smith, of Mineral Wells, Texas on Thursday, January 15, with Rev. Leon Hill, pastor of the Calvary Baptist church, officiating in a ring ceremony.

The bride wore a brown crepe dress with a matching felt hat and other accessories and a corsage of orchids.

Attendants were Pfc. and Mrs. O. D. Conner, who acted as best man and matron of honor. After the ceremony Mrs. Smith, assisted by Mrs. Cloe Hutson and Mrs. Claiborne served coffee and cake to some forty guests in an informal reception.

The bride is the daughter of Mr. and Mrs. Thomas B. Conner, Sr., of Hamlin, but has made her home with her brother, O. D., who is stationed at Camp Wolters, for some time.

The groom is the son of Mrs. Harvey Brubaker, and his home was in Springfield, Ohio, before joining the army. The young couple will make their home at the Simpson Payne Apts., at Mineral Wells.

Fisher Co. Club Women Announce Plans For Work

The Fisher County Home Demonstration club met in regular session January 6, at 2 P. M., in the District Court room with the following clubs being represented: Avalon, Cross Roads, Hitson, McCaulley, and Rotan. The meeting was opened by singing "God Bless America." The following committee chairmen were then announced: Yearbook, Mrs. Morris Jean, Hitson; Exhibit, Mrs. Bill Fancher, McCaulley; Expansion, Mrs. Glen Talbot, Newman; Finance, Mrs. Horace Arrington, Rotan; Recreation, Mrs. Ellis Eivens, McCaulley; Education, Miss Mattie Shick, Cross Roads; Reporter, Mrs. Charley Ware, Rotan; 4-H Club Work, Mrs. F. E. Weems, Rotan; Radio, Mrs. Wayne Nowlin, Rotan; Red Cross, Mrs. Bill Fancher, McCaulley.

It was voted that the council sponsor a seed campaign. Each club will appoint a garden seed committee to work with the land use planning committee.

The council voted to sponsor an Infantile Paralysis Drive. Each club is to have a party or program to get the communities to give to this worthy cause. Let every club and community do their part as pointed out, by Mrs. C. J. Dalton, chairman of the celebration for the President's birthday when he spoke to the council, "Save the lives of children by stamping out this dreaded disease and keep America strong and physically fit", he explained.

It was voted that an officers' training school will be held February 3, beginning at 10 with displays from the club members of articles made since last exhibit. A covered dish luncheon will be spread at noon, with council in the afternoon. Every officer is urged to make that a red letter day and be here.

Standing rules were read and approved. The Newman club was awarded \$2.50 cash prize for having done the highest per cent of work in 1941.

It was voted that the point system be used again next year.

Each club is to write a demonstrator or co-operator story and turn in to the club meeting each month.

The council voted to buy pressure cookers to assist with canning centers.

The following members were present: Mrs. Chester Schick, vice-chairman, presided; Miss Mattie Schick, both of Cross Roads; Mrs. Cecil Parks, secretary; and Mrs. Felix Brown, treasurer, both of Avalon; Mrs. Joe Miers, president, and Mrs. Bill Fancher, council delegate, both of McCaulley; Mrs. Morris Jean, president, Hitson; Mrs. Marvin Hedgepeth, president, Rotan, and Mrs. Horace Arrington, council delegate of Rotan.

Mrs. George Barrett of Palacios is spending some time with her mother, Mrs. Jennie C. Green, following a Christmas visit along with a number of the other children.

4-H CLUB NEWS

Nugent 4-H girls, Jane Baker, Tennie Doty, Margaret Lamb, La Faye Middleton, Almeta Wyatt, Virginia Ann Baker, Marie Martin, Zonia Belle Middleton and the sponsor, Mrs. Erna Sanders, attended a demonstration on the use of whole wheat flour in the daily diet Tuesday afternoon. Clara Brown, Jones County Home Demonstration Agent, showed charts showing the economy of the use of whole wheat flour and gave principles of cooking with whole wheat flour as she made up whole wheat muffins. Principles to follow are, use standard recipe, use standard measuring equipment, mix dry ingredients and liquid ingredients separately well, then add the liquid to the dry and stir just enough to have a rough appearance. Each girl took recipe and a sack of whole wheat flour home with her.

Wilson 4-H girls met Tuesday at 1:30 P. M. with President Vivian Hollums in charge. Club pledge, and prayer were repeated and God Bless America sung.

A demonstration on the use of whole wheat flour was given by Clara Brown, Jones Co. Home Demo. Agent. Miss Brown said a safe diet daily included at least one serving of whole grain products and one way to meet this requirement is the use of whole wheat flour in our breads. Whole wheat flour bread can be kept light by not overraising. Whole wheat muffins were made and baked and served to the group.

If each American is to be physically strong, each person needs to know what to eat to have a diet that will make him strong. The following foods need to be included in the diet daily for growing boys and girls: 1 quart sweet milk, 1 egg, 1 serving meat (serving is one half cup) 1 serving of Irish or sweet potatoes, 1 serving green or yellow vegetables, 1 serving of other vegetables, 1 serving of citrus fruits or tomatoes, 1 serving of other fruit, 1 serving of whole grain products, butter, sweets and 6 to 8 glasses of water daily.

Those present were, Mable Ruth Garrett, Norma Faye Bennett, Ninkey Bradshaw, June Gibbs, Dorothy Harris, Vivian Hollums, Oleta Jordan, Florence Marshall, Francis Jean Marshall, Betty Sue Rogers, Lola Mae Rowland, Martha Louise Sparberry, Bobbie Jean Thorn, Mrs. Foster and Miss Brown. Visitors were Edna Hollums, Wanda Foster and Loretta McDaniel.

Food makes the difference in a physically strong body and the body that is undernourished, said Clara Brown, Jones Co. Home Demo. Agent, Tuesday morning. Geraldine Winter, president, had charge of the business meeting. Charts and pictures were shown to bring out why a good daily diet will make for physical fitness. Miss Brown said that no individual has a right to be physically unfit because of not liking certain foods. A well educated appetite is as important as a well educated brain, so as a goal for 1942 appetites must be educated.

Whole wheat muffins were made, baked and served. The whole wheat flour has in it natural sources of vitamin B, G, and iron which is used by the body to assimilate other foods eaten. The muffins were served to the following members: Vera Allred, Viola Allred, Jewel Ateken, La Nell Cook, Dorothy Mae Davis, Laretha Hall, Mary Faye Lephram, Mary Frances, Betty Sue Mankin, Juanita McCoy, Johnnie Ruth McBride, Betty Jo Ray, Martha Ann Ray, and Geraldine Winter.

Hodges 4-H girls met Wednesday morning with Thelma Jo Hudson, president, in charge. Plans were made for a meeting in February, where hotbeds, tub gardens and grape cuttings will be studied and gingerbread made from whole wheat flour.

A good diet daily was discussed

by Jones Co. Home Demo. Agent, Clara Brown, which included what foods, the amount and why. The economy of home grown cereals was brought out. Whole wheat muffins were made and served to the following: Virginia Cook, Elizabeth Regeon, Edith Woodard, Erma Lee Finch, Geneva Harp, Thelma Jean Collins, Virginia Dyer, Dorothy Archer, Dorothy Williams, Ava Regeon, Thelma Hudson, Marvenell Jones, Frances May, Frances Ann Gentry, Melba Joyce Hudson, Doris Finch and a visitor, Jessie Lee Huddleston.

Pleasant Hill 4-H girls had a meeting Tuesday morning. Home grown cereals were discussed and demonstrated by Clara Brown, Co. Home Demo. Agent.

One of the many ways to get a serving daily of whole grain products in the diet daily is the use of whole wheat flour.

Whole wheat muffins may be made by this standard recipe:

1 1-3 cups whole wheat flour
3 teaspoons baking powder
1-2 teaspoon salt
1 to 2 tablespoons sugar
1 egg, beaten
1 cup water or sweet milk
2 to 4 tablespoons fat melted

Mix the dry ingredients together. Combine the beaten egg, liquid and melted fat. Add to the dry ingredients all at once and stir just enough to moisten and give the mixture a rough appearance. Fill greased muffin tins 2-3 full. Bake in hot oven for about 20 minutes. Yields 12 2-inch muffins, which were served to Fatty Herndon, Mary Alice Butler, Taffie Herndon and Joyce Myers. Each girl took a 3 lb sack of whole wheat flour home with them to practice the principles they had learned from the demonstration given.

POT SHOTS FROM McCAULLEY

BY GEO. DARDEN

J. B. Jayroe writes us from Long Island, N. Y. J. B. says he is near Madison Square Garden and he does not intend to miss any of the big fights or the base ball games that come off in the Garden. J. B. is in school there and likes it fine. We understand he is taking a course in engineering in the army.

Mrs. E. W. Moss, mother of Mrs. J. H. Rhoten passed away at 11 A. M. Wednesday morning. Mrs. Moss had only been in a critical condition for a few days before death. Funeral services were held at the Baptist church Thursday afternoon, with Rev. C. E. Dick, Baptist pastor, assisted by Rev. Grady Adecock, in charge of the services. Barrow Funeral Home of Hamlin was in charge of arrangements and burial was in the McCaulley cemetery. Pallbearers were the grandsons, and flower girls were the grand daughters. Mrs. Moss was eighty nine years of age.

Mr. and Mrs. Buford Dean and little daughter of Childress, visited last week end with their parents, Mr. and Mrs. John Dean in McCaulley.

Ellis Eivens has left for California. He plans on working in an aviation plant there.

Milt Carter was in McCaulley last Saturday. Mr. Carter tells us to pour it on the Japs a little harder. Well, if we can find any more words that would do to print we will do just that. Just what we think of the Japs would not do to tell from the pulpit.

Mr. and Mrs. Edigbert Dick who for the past several years have lived at Avoca, have sold their farm there and are purchasing a farm about two miles south of Hamlin where they will make their home. Edigbert is a son of Rev. and Mrs. C. E. Dick of McCaulley.

The McCaulley basket ball girls played in the basket ball tournament at Lueders last week end and won their first two games, dropping the third game to the Peacock girls by a score of 29 to 37.

Sixty-one boys from Fisher Co. left Roby Wednesday night of last week for Ft. Bliss for their final medical examinations. We understand that only eight out of the 61 failed to pass their examination.

Most of the sick folks about town are improved and we see Mrs. L. E. Rector down at the post office helping with the Sears catalogues.

The two addresses by Bro. Wren of Snyder last Sunday at the Baptist church were very inspiring and we are hoping Bro. Wren will visit us again.

The garages and blacksmith shop in McCaulley are doing a land office business from the looks of the farm tractors lined up. At one garage Monday we saw five tractors up for repairs, and no doubt that before long we will see a lot of farming in this community.

J. H. Humphries, owner of McCaulley's only barber shop has been confined to his bed for the past several days with the flu.

The Woman's Home Demonstration club of McCaulley will sponsor a program at the school house on Tuesday night, Jan. 27, and all proceeds will go to the Infantile paralysis fund. There will be no admission, but a free will offering. There will be an out of town speaker, and a program of games and stunts will be sponsored by the club ladies. There will be a lot of fun for every body and too, folks, it is for a good cause. Please come and tell your neighbors.

Tonight, Monday, we have just listened to the test black-out in Fort Worth and Dallas, and from all reports the black out was a complete success. It just goes to show the world that the people of Texas are one hundred per cent after Hitler and them d---Japs.

Since Lindbergh has returned to the air force we suggest that he fly over Tokyo and bomb the sox off of them yellow pups; and too, that would be a good way for Lindy to square himself with the American people.

Mr. and Mrs. J. T. Rhoten are announcing the approaching marriage of their daughter, Ruby Dee to Mr. Lewis Gist of Sweetwater on January 25th.

Willie Bridges of Fort Worth was looking after business interests in McCaulley last week.

O-O-O-O

When will we get the road paved between McCaulley and the Jones County line? We hear more about that road to Hamlin every day, and it seems to us that we could get enough state aid to do something

about the road, but as long as we sit with our hands folded and listen to one or two who think such a good road would kill McCaulley, so long will we stay in the same old rut. We heard one business man say that he didn't want it paved, afraid it would hurt business. Well, folks, if Columbus had been afraid it would hurt the mother country to discover America, well, we would have been in a mell of a mess. Nonprogressive citizens who are contented with bad roads and the fear of losing a sale on account of good roads, should move to the shinary and get them a burro and buggy. F. D. R. said that all we have to fear, is fear itself.

"Forward, march," should be the slogan of every citizen in every community. Whether we have plenty of money or not a change of sox—we are all here for some purpose, and the man with the seat of his pants out, who keeps his chin up, is worth more to a community than a fellow with a bank full of dough who is so tight he squeaks. Progress is what made the United States the nation it is today. The McCaulley school needs a gym, and McCaulley needs the road to Hamlin paved. If enough pressure is brought to bear on the officials by the citizens, we can go forward, and if pressure won't work, remember this is election year.

A DARDEN-O-GRAM.

ROUND TOP NEWS

(Too late for last week)

Here we come again after another cold spell, but we are glad it is not so cold at the present.

Mrs. L. B. Porter is visiting in Sweetwater and Amarillo. Hers will probably be a prolonged visit.

Paul Cooper is improving very fast and is leaving for Fort Bliss about the fourteenth of January.

James Winzer and Odell Garrett are also leaving for the Army.

Sunday visitors in the John Shelley home were Mr. and Mrs. Blair Berry of Rotan; Louise Berry of McCaulley; Paul, Roy and Elmer Cooper; Buck Scott; Mr. and Mrs. Frank Allen and children; and Mrs. Pearl Cooper.

Mr. and Mrs. A. S. Smith and daughters, Helen and LaRue, of McCaulley visited in this community last week.

Annie Laura Bowdry was at home with her parents this week end. She is attending Draughon's Business School in Abilene.

Joan Shelley visited Alma Lee King of Hitson Sunday.

Mrs. Dave Foreman and mother, Mrs. Campbell, of Rotan, visited in the Terry Cooper home last Tuesday.

Several in this community attended the Red Cross Benefit dance at Anson Monday night.

A nice attendance was reported to be at church Sunday morning.

Barto Jameson has not been improving this week. He was carried to a hospital in Abilene Monday.

Since the weather has cleared and there is plenty of sunshine, everyone is feeling much happier. The sick folks are doing fine.

Those visiting in the D. B. Scott home last Sunday were Mr. and Mrs. Buck Scott, Mr. and Mrs. Orville Pack, Mr. and Mrs. Odell Garrett and children, Venice and Helen Parker, Mr. and Mrs. Miller Montgomery and children, and Don and John West.

Rev. and Mrs. J. T. Crawford, Mrs. T. Cooper, Mrs. Landy Jameson, and Rave Shelley attended the zone rally in Abilene Monday. The next rally will be held at Mt. Zion ten miles west of Hamlin, Feb. 23. Everyone is invited to attend this meeting and we promise you plenty to eat and a grand time. So come, one and all.

Jo Nello McCleskey is on the sick list this week.

Several of the young people enjoyed a pleasant evening in the home of the pastor last Friday evening.

Mr. and Mrs. Curtis (Hoolie) McCleskey and son Carlos of Post, were Sunday visitors in the W. G. McCleskey home.

No boys were called to the colors from this community this week.

George D. Raney, a prominent citizen of the Neinda community is again in the Sweetwater hospital. He had another operation last Saturday. Mr. Raney has been in poor health for about one year.

WISE CHAPEL NEWS

By Catherine Drake

(Too late for last week)

Old man winter surely did give us a visit last week. All the farmers want to see some pretty weather. Some are hauling feed; some are plowing.

Mr. and Mrs. A. W. Jobe are the proud parents of a girl, born Sunday, Jan. 11.

Joe Bonds was called to Hillsboro January 3 because of the serious illness of his mother. She died Sunday, January 11. Mrs. Bonds and son, L. C. of Hamlin, and Mrs. Joe Bonds, Jr. of Stamford, went to Hillsboro Sunday to attend the funeral.

Mr. and Mrs. T. W. Flenniken and family spent Sunday in Knox City. We are sorry to report that Mrs. J. F. Vaughan has been on the sick list.

Miss Catherine Drake stayed last week with Mrs. Joe Bonds while Mr. Bonds was at the bed-side of his mother in Hillsboro.

E. Kirksey, Mr. and Mrs. T. W. Flenniken and family, and Connie Drake and sisters surprised Mrs. Dave Herbst on her birthday Monday night with ice cream and cookies.

(This Week)

We are having some pretty weather this week. Though Wednesday morning it was down to 32 degrees. All the farmers are very busy putting up their land.

Mr. and Mrs. Arvis Dean and family of Hamlin and Mrs. W. E. Shields and grandson W. J. Giles of Anson, Mrs. J. J. Herbst and Mrs. Bob Smith had dinner Sunday with Mr. and Mrs. Dave Herbst.

Mr. and Mrs. Bill Daniels and son spent Sunday in Sweetwater.

Mr. and Mrs. Jerry Bush of Post spent the week end with Mr. and Mrs. George Potter and family and Sam Bush.

Mr. and Mrs. T. W. Flenniken and family spent Sunday with Mr. and Mrs. Johnnie Agnew and family.

Mr. and Mrs. Buddy Jobe and family of Hamlin visited Mr. and Mrs. A. W. Jobe and family Sunday afternoon.

Mr. and Mrs. J. R. Bonds and Mr. L. C. Bond and son of Hamlin spent Sunday with their parents, Mr. and Mrs. Joe Bond.

Mrs. W. D. Patterson moved on Tuesday to the Neinda community.

Have You Got Your Federal Car Stamp?

Uncle Sam says better get that \$2.09 car stamp and stick it on your car. In Hamlin this week the busiest place has been the post office. They have a "Sale On" down there. You can get a Federal Stamp for your car or truck for \$2.09. And say, buddy, better hang on to that stamp. Inspectors will be peeping at

your car, and the easier it is to be seen the better.

This is the cheapest stamp you will get. On July 1, the price becomes \$5.00 for the full year. This is war and nobody to blame but the G. I. J. frame-up.

Another thing about the stamp tax. Just fail to send in that one cent postal, and then lose your stamp, and you'll have a hard time proving you paid \$2.09 for a stamp in the first place.
